Dear Ms Webb,

I refer to your 2 October 2024 correspondence requesting the NCAT President comment on your 8 August 2024 submission to the Attorney General. Your correspondence was referred to the Acting President, Judge Seiden SC who has asked that I reply.

It is not proper for the NCAT President to respond to a report directed to the Attorney General and a meeting with the NCAT President to discuss this matter would not be appropriate.

Thank you for taking the time to write.

Yours sincerely

Michelle Brazel
