Mr Crosdale

**RE: Request for Review of Agency Conduct under PPIP Act 1998 Section 53**

Port Stephens Council has repeatedly and consistently uploaded my personal information to the IPC GIPA Tool. The uploaded information has been confirmed as personal in nature within the IPC External Review Report Ref No: IPC 24 / R0000307 dated 08<sup>th</sup> October 2024.

I understand the IPC GIPA Tool is owned by a third-party organisation and is provided to the IPC on a subscription-only basis.

At no time did I give my permission, nor did I consent, for Council to share my personal information with any other entity.

At no time did I give my permission, nor did I consent, for Council to share my personal information for a secondary or collateral purpose.

Further, Council will understand my objection at first instance to the provision or circulation of this request for review to any other organisation or resources outside of Council, apart from the mandatory notification to the IPC.

Any provision or circulation of this request for review to any other organisation or resource will be viewed as an offence and will be responded to accordingly.

I look forward to receiving your review report.
